Transmittal Sheet No. 61

Subject: Revised Implementation of State Police Commission Rules – Chapter 6 Pay Plan

Effective Date: October 12, 2016

In accordance with Article 10, Section 48(c), of the Louisiana Constitution, any rule determination affecting wages or hours shall have the effect of law and become effective only after approval by the governor and subject to appropriation of sufficient funds by the legislature.

On November 12, 2015, the State Police Commission (SPC) voted to approve revisions to Chapter 6 of the State Police Commission Rules pending approval of the governor. On October 12, 2016, Governor John Bel Edwards notified the State Police Commission that he approved of the adoption of the changes to the Uniform Pay and Classification Plan as outlined in State Police Commission General Circular 180.

The approval by the governor on October 12, 2016, was prospective and not retroactive to the date adopted by the State Police Commission on November 12, 2015; therefore, this transmittal supersedes Transmittal Sheets No. 57, 58¹, and 60. The effective date of implementation of all revisions to Chapter 6 approved by the State Police Commission as outlined in General Circular 180 is October 12, 2016.

Attached is a complete copy of Chapter 6 reflective of the October 12, 2016 effective date.

Sincerely,

Jason Hannaman, PHR, SHRM-CP
Executive Director
