SUBJECT: State Police Commission – Notice of Office Closure (July 8-12)

The Louisiana Department of Agriculture and Forestry (LDAF) Headquarters building, located at 5825 Florida Blvd., will be closed from **Wednesday, July 8 through Sunday, July 12** to allow for necessary repairs and maintenance to the building's generator system. The building will be closed to the public and will be without power during this period.

The State Police Commission's Administrative Office is housed within the LDAF building and will be impacted by this closure. As a result, there will be no on-site cadet testing during this time.

Additionally, the monthly State Police Commission meeting scheduled for July has been canceled. The Commission will reconvene at 10:00 a.m. on Thursday, August 13, 2026.

We anticipate normal office operations will resume on **Monday, July 13**, barring any unforeseen delays.

We apologize for any inconvenience this may cause and appreciate your patience.

If you have questions, please contact the State Police Commission office at 225-925-7057 or you can reach me via email: Jason.Hannaman@La.gov
