State Police Commission Cancels September 12th Meeting Due to Approaching Hurricane Francine

Due to the emerging situation surrounding soon-to-be Hurricane Francine, the State Police Commission is canceling its regularly scheduled meeting for Thursday, September 12, 2024. The safety of our community, commission members, and all involved is our top priority as we prepare for the potential impact of the storm.

The September meeting has been rescheduled for Thursday, September 19, 2024, tentatively set for 10 a.m. We will continue to monitor the storm and provide updates as necessary, including any further changes to the meeting date and time.

Our thoughts are with the Louisiana State Police commissioned personnel and all first responders who will be working tirelessly to protect our communities during the storm. We ask everyone to follow local weather advisories and emergency orders to ensure their safety and assist in these critical efforts.
